CAMP HOPSCOTCH 2020

For Campers 1-6 years old! Children under 2 years old may attend two days per session. Children 2-6 attend all five days per session.

Who?

We are offering three exciting weeks of fun! Each week will include art projects, science experiments, water play activities, as well as special events related to the week's theme!

What?

JUNE 8-12 Return of the "don't try this at home" - even crazier, cooler, messier science experiments than last year.

JULY 13-17 Don't sit down during the Olympics—relays, sports, twisting, jumping, and all the fun events during the Olympic games.

JULY 27-31 Not your "old school" arts and music camp - you think Science camp was wacky, join us for a week of outrageous art projects and music madness.

When?

The cost is \$180/week per child 2-6 years old. For children under 2 years, the cost for a two-day program is \$80/week. No refunds are allowed after May 1st, as we hire teachers/vendors and purchase supplies based upon camp enrollment.
